

FIREARMS AND AMMUNITION PROCEDURES

PLEASE READ THIS DOCUMENT ENTIRELY.

ARMORY LOCATIONS

Per Indonesian Law, **ALL FIREARMS AND MAGAZINES** must be stored in a designated armory when not in use for the match. We have prepared 2 armory locations:

1. SWISSBEL ARMORY

Location : Swissbel-resort Pecatu
Who it's for : Participants staying at Swissbel-Resort

2. RANGE ARMORY

Location : Pecatu Shooting Range Area 1 Building
Who it's for : Participants staying in other match hotels and outside accommodation
****Equipment rentals will be picked up and returned here. Same firearm and ammunition armory procedures apply.**

ALL ARMORIES DAILY OPERATIONAL HOURS:

05:00 - 07:00

11:00 - 13:00

16:00 - 19:00

ARMORY PICK UP AND DROP OFF PROCEDURES

To not overcrowd the armory, each region must assign 1-2 delegates to pick up and drop off firearms in bulk. Regions with more than 50 shooters may assign 1-2 delegates per shooting club or any other preferred grouping mechanism to pick up and drop off firearms.

Participants must adhere and agree to the following:

1. Participants **MAY NOT** pick up and drop off their firearms individually.
2. Participants **MAY NOT** store their entire bag of gear, ammo, and firearm in the armory. **THE ARMORY IS FOR FIREARMS AND MAGAZINES ONLY.** We do not store ammo and gear.
3. Participants must store ammunition responsibly in their accommodation.
4. Participants must return their firearms to their delegates to be stored in the armory at the end of each shooting day and/or when the event has ceased. Participants have a responsibility to

ensure their firearms are unloaded and with no ammunition in magazines when they are being stored.

5. As this is a high volume event, participants are responsible for labeling and bundling their items (if firearms are in a separated pouch or case as magazines for example).

Firearms and magazines can only be picked up in one of the following conditions:

1. For equipment check
2. During the participant's shooting day

AIRPORT TRANSFER PROCEDURE

FROM AIRPORT (ARRIVAL)

1. After disembarking from the airplane, clear immigration as usual.
2. At the baggage claim area, there will be individuals with Australasia passes who will assist you with firearms and ammunition customs clearance.
3. After firearms and ammunition are cleared by customs, Bali Police will escort the firearms to the armory you are assigned where they will be stored until needed.

TO AIRPORT (DEPARTURE)

1. Bali Police will transport the firearms from the armory to the airport 3 hours before your scheduled departure time (according to the flight information you provide to us via IPSC portal)
2. There will be individuals with Australasia passes who will assist you with firearms customs clearance until your firearms are checked in.
3. Go through immigration and board your flight.

GENTLE REMINDERS

- Know your airlines' policies. Generally you need to notify your airlines 5-10 days before departure that you are flying with firearms and ammunition.
- Double check that your name, passport number, and firearm details are 100% correct in the Indonesian entry-exit permit. Consult us with any issues or errors:
