### AIRPORT ARRIVAL PROCEDURE

1. Participants can disembark from the plane as normal and proceed to immigration.
2. After immigration, shooters will go to the baggage claim area. Here our Internal Airport Team will approach, like in the photo. Airline/baggage officers will also be there with your guns. Approach when you identify your baggage case/bag.

3. With our airport team, after receiving your baggage and firearms, make your way to the Customs Declared Items area for clearance. Customs will check your firearms and ammo with the import permit and our airport team will assist.

## AIRPORT ARRIVAL PROCEDURE

**PLEASE READ THIS DOCUMENT ENTIRELY.**

4. After your firearms and ammunition are cleared by customs, the Airport Team will guide you to the exit, where you will meet with our Transportation or External Airport Team as well as the Regional Bali Police Team who will transport your firearms to the armory.

5. When the firearms are handed over to the Regional Bali Police, you will be asked to fill out an ARRIVAL FORM with your passport, accommodation, and firearm details. You will also receive a card as a receipt for the firearm (1 card per firearm), which will later be used to pick up the firearms at the armory.\*

**\*WE WILL NOT BE STORING AMMUNITION AND/OR SHOOTING GEAR (such as belt, glasses, etc.) in the armory so please do not hand that over with your firearms. JUST YOUR FIREARMS.**
