A random sampling check will be conducted in the armory upon the return of firearms on the last day of the match. Every participating region will be sample inspected, then a copy of the paperwork will be distributed to all shooters bringing back their firearms.

### **GENERAL PROCEDURE**

Shooters will need to pick up their guns at the armory and bring them to the airport. Police will be monitoring your journey with the guns from armory to the airport.

#### **ARMORY PICK UP FOR SHOOTERS FLYING BEFORE SEPT 2**

Please pick up your firearms at the Swissbel Armory.

#### **ARMORY PICK UP FOR SHOOTERS STAYING UNTIL SEPT 2 AND BEYOND**

***All firearms left at the Swissbel armory after September 2nd will be stored at the range armory.***

Please confirm your departure flight schedule to the armory team in order for your firearms to be monitored to the airport 4 hours before your scheduled departure. Your departure flight schedule must be confirmed to the armory team at a maximum of 6 hours before the scheduled departure as we need to coordinate the police.
